VALVOLINE

For yesterday is but a dream and tomorrow is only a vision but today well lived makes yesterday a dream of happiness and every tomorrow a vision of hope.

DEDICATION

The annual staff of Lanier Tech respectfully dedicate this 1975 Progressus to the Student Body.

Lanier Tech is a place for learning, growing, and experiencing new ideas, but it is also a place for meeting new people and making new friends. People make up this school. Their happiness, sadness, problems, ideas, and talents all are manifested at school. We hope the memories you hold of Lanier Tech will be happy ones and your life will be a long and successful one.

IN LOVING MEMORY

The life of Bill Gambrell, a student well loved by everyone at Lanier Tech, was brought to an abrupt end in a motorcycle accident last fall. His good nature will be remembered and will live on in the hearts of his friends.

In loving memory of him, we close with these lines of verse.

When we leave the earth's sad shore,
We go to rest forever-more.
We leave our trouble and our strife,
We begin the walk of eternal life.

To those who loved me here on earth,
The ones who cared for me from birth
Don't mourn for me when I am gone;
God left you here to carry on.

Everyone will ask the question why
A man so young was picked to die,
But this I know it must be true
They need young men in Heaven too.

ADMINISTRATION

John McCormick
Director

With regret, we are loosing our great director to Mississippi. He will be missed by the staff and student body. Our best to you—John McCormick.
